Director's Desk

We are well into summer and have had a busy year so far. Ticket sales for the sportster are going well. Our first dice run was a success. Spring fling was a great time if you disregard some of the singing that went on Saturday evening. A few of us made a long ride out to Colby to a poker run. We did a send off for some WWII Vets headed to Washington DC to see the WWII memorial. Flag retirement and cookout afterward hosted by Bill Stewart. The hamburger run to South Dakota was amazing. All this fun and we have more to come. I am looking forward to the state rally and our dice run this fall.

As we go out and interact with ALR groups across the state something is becoming clear. We are blessed here at Post 240 to have such a positive relationship with our Legion. Some of the stories I have heard about other ALRs having to fight to exist because they are not accepted by their Legion really brings this home. Next time you are at the Legion remember to thank the members who are not riders for their support of what we do. I also encourage everyone to attend monthly meetings and get involved with the business of the Legion. I know they really enjoy seeing new faces taking an interest in what goes on.

Make sure you get out for a ride and join us in our activities. ALR 240 is a great group and it is because of contributions by each and every individual that is a part of our family.

Letter From The Editor

My plan for our newsletter was for it to be published based on input from our officers and members alike. Unfortunately, it's spiraling to it's death as you read this article. The news letter was to be a representation of the entire group. But, as you can see we have very little participation. If the editor writes the newsletter in its entirety than it is no longer representing you. I refuse to publish a document with only my views, opinions and feedback. Therefore, I will "move" to discontinue the news letter at the next meeting.

Gator
